## We are starting a van ministry ...with a twist.

One of my goals is to start teaching missionography in various cities around the U.S. I love going to new locations, training up new missionographers, and producing content for missionaries. However I really miss being away from Teresa and to have her with me would be a huge blessing. An RV is out of our

reach at this time, so I was looking at the possibility of building a touring/camper van. After months of searching, an awesome deal became available and we purchased a 2004 15 passenger van from a local Baptist church. It came with very low miles and an incredibly low price. I totally believe this is a gift from God. We are now in the process of the conversion and hope to have it finished soon. The goal is to head out on the road beginning this year. If you want to see some entertaining video, you can watch the conversion process here: [youtube.com/ianskelley](https://www.youtube.com/ianskelley)

### *Please Pray for Us...*

- That God would give Teresa and I an increased desire to know Him.
- Salvation of family members (contact us if you want specifics)
- That the Holy Spirit would guide us in developing the MTA.

### **Missionographers Partnering with Liberty Network International**

We are so excited to share with you that we are partnering with Liberty Network International. LNI is a network of networks designed to strengthen and support missionaries and ministries.

Teresa and I are new members and we are excited about the opportunities to serve all these great men and women of God.

Buford Lipscomb, the president of LNI, asked us to help produce media content for their network members. It was a great meeting and we are beginning by creating a promo video to promote their online Bible school. The school offers an excellent curriculum at an affordable price. This school will be influential in raising up a new generation of world influencers.

### ***We want to pray for you...***

Please let us know what prayer requests you have. We regularly pray for our partner requests. Email us at [ian@missionographer.com](mailto:ian@missionographer.com). We especially love specific requests. That way we know when God answers them.
